RE: Officer Cody Kirkman
Federal Investigation

Dear Christy:

This letter follows our telephone conversation of yesterday, September 2, 2020, concerning the above-captioned matter. As I advised you, I spoke with AUSA Ben Garner yesterday concerning the status of their investigation in light of the fact that they had completed their interviews of the two (2) other officers in the case. AUSA Garner advised me that their investigation was ongoing and he did not anticipate a prosecutorial decision to be made until late 2020 or maybe early 2021. I will let you know if anything develops that changes that time line.

With kindest regards, I remain

Very truly yours,

Lionel S. Lofton
